

Password Requirement Update – Effective June 24, 2026

To enhance account security, the Stonehill Group portal will require passwords to be between **15 and 20 characters**.

Your existing password will remain active and is not impacted by this change. The new requirements will apply the next time you are prompted to reset your password.

If you have any questions, please reach out to Angela Koski at angela.koski@firstsource.com or Donna Rowe at donna.rowe@firstsource.com. Thank you for your continued partnership.
